## OBJECTIVE

Desire to work in a dynamic and young environment. With knowledge of ASP.net, HTML 5, Bootstrap and SQL server, I want to become an intern of the company and master the job within 3 months. The next goal is to become an official employee of the company after the internship period is over.

## SKILLS

Back-end: C#( MVC, ASP.Net core, EntityFramework).

Front-end: HTML 5, Css, Bootstrap 4, AngularJs.

Database: SQL Server, MySQL

## SOFT SKILLS

**Communication**: have good communication skills. Shown in 2 years of working in sales and always achieving the company's monthly revenue.

**Description**: Store manager
**Quantity member**: 4
**Position**: Leader, seller.
